What is CHIP? CHIP is short for the Children's Health Insurance Program – Pennsylvania's program to provide health insurance to all uninsured children and teens that are not eligible for or enrolled in Medical Assistance.

There are lots of reasons why kids might not have health insurance – maybe their parents lost a job, maybe their job does not offer health benefits, or maybe it just costs too much. Whatever the reason, **CHIP** may be able to help .

Parents may think they can't get CHIP because they make too much money – Not true! CHIP has expanded to cover all uninsured kids. Now no family makes too much money for CHIP because there is no income limit! For many families, CHIP is free. Families with higher incomes will pay low monthly premiums and co-pays for some services.

You can apply for CHIP online at www.chipcoverspakids.com or by phone at 1-800-986-KIDS. Apply today!
