

National Organizations

[American Association of Suicidology \(AAS\)](#)

Promotes research, public awareness programs, public education, and training for professionals and volunteers and serves as a national clearinghouse for information on suicide.

[American Foundation for the Prevention of Suicide](#)

Dedicated to understanding and preventing suicide through research and education and outreach to individuals with mood disorders and those affected by suicide.

[Suicide Awareness/Voices of Education](#)

Mission is to prevent suicide through public awareness and education, eliminate stigma and serve as a resource to those touched by suicide.

[Kristin Brooks Hope Center - The National Hopeline Network](#)

Phone:  1.800.SUICIDE  (784.2433)

Brings the tremendous knowledge, skill and resources of existing crisis centers under the safety net of a single, easy-to-remember, toll-free telephone number. People in crisis generally don't have the energy or ability to take on a long search for help.

[National Organization of People of Color Against Suicide](#)

Formed to stop the tragic epidemic of suicide in minority communities. The organization is developing innovative strategies to address this urgent national problem including community-based prevention strategies, corporate partnerships to build alliances in inner cities, and assistance to local government, law enforcement, schools and mental health officials to make an larger impact in suicide prevention.

[Suicide Prevention Resource Center](#)

Provides prevention support, training, and resources to assist organizations and individuals to develop suicide prevention programs, interventions and policies, and to advance the National Strategy for Suicide Prevention.

[National Center of Suicide Prevention Training](#)

Provides educational resources to help public officials, service providers, and community-based coalitions develop effective suicide prevention programs and policies.

[National Council for Suicide Prevention](#)

Further suicide prevention through collaborative activities and information sharing in order to save lives.

[The Jason Foundation](#)

School-based suicide prevention curriculum.

[Yellow Ribbon Suicide Prevention Program](#)

A community-based program educating and empowering adults, youth, and professionals.

[Organization for Attempters and Survivors of Suicide in Interfaith Services \(OASSIS\)](#)

Offers educational programs regarding interfaith and spiritual approaches to suicide prevention and awareness, as well as organizing systems-wide support, training professional caregivers, and offering consultative services to national organizations, religious communities, health care providers, higher educational institutions, law enforcement, and military personnel.

[Screening for Mental Health, Inc.](#)

SOS (Signs of Suicide, High School program) - A nationally recognized suicide prevention program for high school students.
